THE SWORD INTERVAL

BY BEN FLEUTER

So the masked ghost the... "Visage". His power over this place is near absolute.
We're in his world now, not ours
Right. Okay. So what do we do about that?

Mmh. Might be able to break his hold on the front door, just for a moment. Like I did upstairs in the lecture hall.

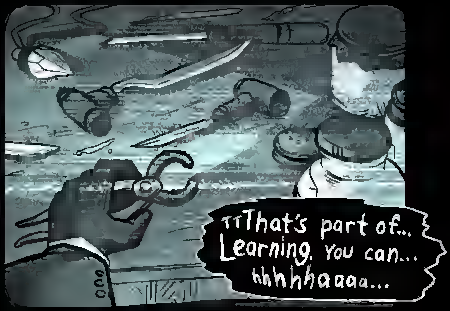
...What's wrong?
That's not where I left the camera.

I am...
I am an
artist.

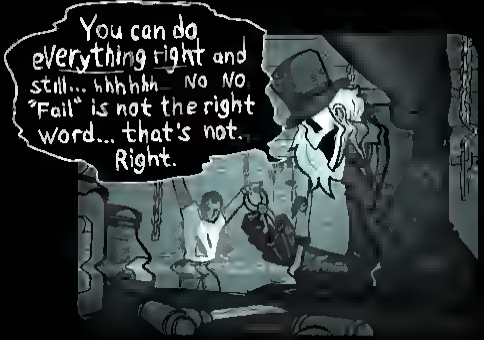
"Every. Stroke. upon the canvas is... to be savored.
Every piece can not help but be unique.

They are not all to be. Masterpieces, though. HaHa

No, no. They cant all be masterpieces
Why are you doing this...

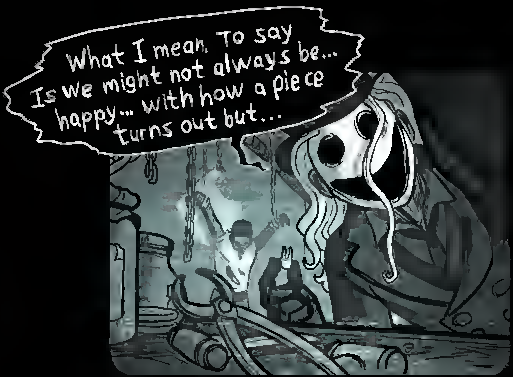


That's part of... Learning. You can... hhhhhaaaa...

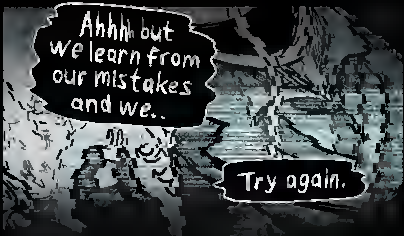


You can do everything right and still... hhhhhh No NO "Fail" is not the right word... that's not. Right.

GAH!
MNNNNH!!



What I mean. To say
Is we might not always be...
happy... with how a piece
turns out but...

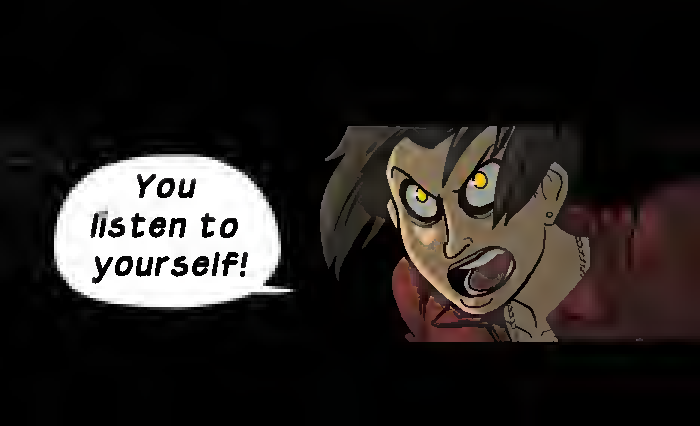


Ahhh but we learn from our mistakes and we..
Try again.

—sigh— Right.
I should never have brought you here.
I'll try and make that exit.
Uh, were you watching a different video than me?!

The other team's down there!
The Visage *filmed* it for us. He *wants* us to go in after them.

So what?
Fall, listen to me!



You listen to yourself!

When you and me teamed up, you said it was cause you didn't want me to become another person you didn't help!

You said that just because things worked out in Titan's Folly without you, it didn't mean your inaction was okay!
Now *OWN UP TO THAT, DAVID!*

Those guys are still here – *still alive* – and I'm gonna at least *TRY* and save them!
You *with* me or not?
